I'm Youko of North Private Academy's Forest Class B...

This is the North Animal Academy..
Mister Bearback, our homeroom teacher, is at the front of the class, flipping out

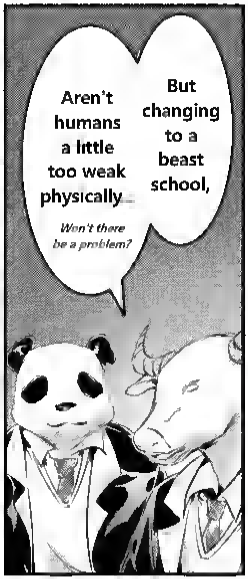
不交的人下课到我办公室
你们怎么又不交作业
How did you guys forget your homework again!
Those who haven't handed it in see me in my office after class!
Although he lectures us quite severely, he's actually a rather good teacher
As you can see, North Animal Academy is a special school for half-beast students
Fine, whatever. Today there's something I need to tell everyone about.
Ah, come in right away

This is the new transfer student who will be joining us today, Lin Jiang,
An ordinary HUMAN.
Hello everyone, I am Lin. I'll be in your hands.

So cute and small!!
Wait.. human?
?
HUMAN?!

At the end of class.
It's rare to see a human student transfer into this school
Human schools are very interesting
YEAH!! I heard that human schools have a lot of inventions and very smart humans!

Concerning physical activities, I shouldn't have any issues...



But changing to a beast school,
Aren't humans a little too weak physically
Won't there be a problem?

Aren't you a popular ona, Miss Human Transfar Studant?
Ahh,
Oh crap It's ona of tha Burning Wolf Gang
Hara to mass with tha transfar studant
You're a real cutia~
How about spanding soma tima with Uncla Wolf

What were you thinking, Mister Wolfy?
I didn't see her move an inch!
H... How?!

Damn, just you wait!

WAIT A MINUTE, HOW FAST WAS THAT FOR ME NOT TO CATCH IT?
Lin is so amazing!
Woah woah!
Strong like bull!
Sir Goat Don't use that phrase
NO WAY...
CAN HUMANS REALLY BE THAT QUICK...

Happy New Year, everyone!

I promise I won't burn myself out
this January like I did last time...
